PUBLIC WORKS DEPARTMENT

G.O.MS.NO.5009 Dated 9-12-52.
Read the following:-

From the Chief Engineer, P.W.D.(Buildings) Endorsement No.1042 R/52-1 dated 7-7-1952.
From the Chief Engineer, P.W.D.(Buildings) -do- No.1042 R/52-3 dated 12-9-1952.

ORDER:

At present the Radio Engineer is the appointing authority in respect of the posts of Attenders (The Madras General Subordinate Service) and peons and battery Transport peons the Madras Inferior Service) in the State Broadcasting Department. He is also the authority empowered to impose on the above staff the penalties specified in the Madras Civil Services (Classification, Control and Appeal) Rules, the Chief Engineer in charge of the Department being the appellate authority in respect of those penalties.

2. The Chief Engineer Public Works Department(Buildings) has reported that much difficulty is experienced and administrative inconvenience felt whenever appointments to the posts of attenders and peons have to be made in the offices of the Assistant Radio Engineers and Radio Supervisors in accordance with the rules referred to in para 1 above and also when the penalties specified in the Madras Civil Service (Classification, Control and Appeal) Rules have to be imposed on the above categories of staff. He has therefore recommended.

(1) that the Assistant Radio Engineers may be empowered (a) to appoint attenders, peons and battery transport peons and (b) to grant them leave, impose penalties specified in the Madras Civil Services (Classification, Control and Appeal) Rules and transfer them from one place to another within their jurisdiction; and

(2) that the Radio Engineer may be declared as the appellate authority in respect of the penalties imposed by the Assistant Radio Engineers.

3. The following orders are issued on the recommendation of the Chief Engineer:-

(i) As the number of posts of attenders in all the circles is six, the need for making appointments ~~with-out~~ will not arise for the present. In urgent cases the Assistant Radio Engineer may fill up the vacancies under the emergency provisions of the rules pending the approval of the Radio Engineer.

(2) The Assistant Radio Engineers may impose on the attenders employed in their offices the penalties specified in the Madras Civil Service (Classification, Control and Appeal Rules) Except those of compulsory retirement, removal or dismissal from service, which will be imposed by the Radio Engineer, the appellate authority being the Radio Engineer in respect of orders by the Assistant Radio Engineers.

P.T.O.

(3) The Assistant Radio Engineer will be the appointing authority in respect of peons in his office and Battery transport peons in service stations within his jurisdiction.

(4) The Assistant Radio Engineers concerned may impose on peons employed in their offices and the Battery Transport peons employed in service stations within their jurisdiction, the penalties specified in the Madras Civil Service(Classification, Control and Appeal) Rules, the Radio Engineer being the appellate authority in respect of those penalties.

4. Necessary amendments to the rules relating to the Madras Inferior Service and the Madras Civil services (Classification, Control and Appeal) Rules will be issued separately in the Public (Service) Department.
